CORPORATE
BIO

CORPORATE **BIO**

Ola Ajayi is an Data and Integrations Expert, mentor, and an experienced product manager with strong leadership and management skills.

Ajayi possesses a decade of experience in Leadership, Change and Process Management, Diversity, Equity and Inclusion within the tech ecosystem.

In her role as a product leader at ORIUM, she has led cross functional teams to success, digitally transformed e-commerce tech platforms to increase efficiency, created new stakeholder engagements and helped drive growth and revenue.

She is a Tech Product Consultant who works as a bridge between the Business, Customers and Tech in the e-commerce Industry, working with a team of technical experts to solve problems and create valuable products to meet customers requirements.

During her role as software engineer at Bloc (formerly Tech Advance), Ajayi, worked with the integrations team, and successfully built API's for an online payment platform using python. She has amassed years of hands-on working experience in product management, data management, growth strategy and operational data management. She has consulted with tech- focused diverse teams and organizations such as Long View Systems and Apple Inc.

CORPORATE **BIO**

Ola holds a B.Sc in Information Technology, CCNA, Project+, Advanced Product Management, Business Intelligence and is Predictive Analytics Certified.
In addition to Product Consulting, she is a public speaker, and mentor for women in tech, especially people of color,and has mastered the art of finding balance as a devoted mother and growth as a career woman. She writes about leadership, data and product management, growth strategy, EDI and stakeholder engagement.

She has delivered successfully in different complex levels of Digital Transformation and is a Roy Group trained mentor with the capacity to mentor people and help them pivot through their careers successfully. She looks towards a future of being a product leader that will bring about strategic guidance, determination and make a significant impact.
